

Transmitter, Wireless Waterproof, Mobile Pendant TR – P100EN with Neck Lanyard TR – P100 EW with Wristband TR-P100RSM Pendant Reset Magnet

TR-P100EN

TR-P100EW

TR-P100RSM

Pendant Description: The TR-P100EN, a single button; waterproof pendant, is our smallest, lightest, and most versatile pendant. It comes with a neck lanyard that is equipped with a breakaway feature.

The TR-P100EW comes with a wristband equipped with a 16mm silicone band with adjustable buckle closure.

With the single-button, one-second press and hold activation, and a compact design, it is ideal for assisted living installations. It features a fully supervised radio link to help ensure reliability.

Reset Magnet Description: The TR-P100RSM Pendant Reset Magnet can be used to easily clear alarms on transmitter mobile pendants. Available in 10 packs only.

Operation: When used with the Cornell Wireless Systems, these wireless devices provide immediate emergency call assistance.

Engineering Specifications: The contractor shall furnish and provide the CORNELL TR-P100EN Wireless Waterproof Pendant with neck lanyard or wristband as indicated on the plans. Wireless Pendants shall be programmed to system specifications. Pendant can be provided with a neck lanyard or wristband.
